

NICHELESS

POOL & SPA LIGHTING

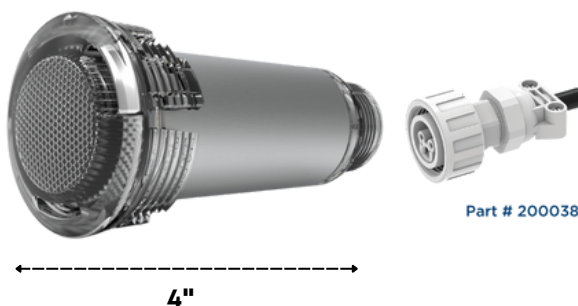

AWARD-WINNING, LOW-VOLTAGE NICHELESS LIGHTS

The Blue Square Spectrum nicheless pool & spa lights incorporate the latest generation LED technology and thermal management system to ensure maximum light output and reliability. In addition, these lights are extremely energy efficient and long-lasting. The entire system is extra-low-voltage ensuring safety at all times. Its contemporary design and ease of installation make it the perfect choice for new pool construction or remodelling older pools.

- Awarded one of the Top 50 Products of 2022 and designed for a wide range of applications
- Low voltage LED replacements for industry standard niches including Jandy®, Hayward® and Pentair®
- Perfect for 1.5" niche/wall fittings and bubblers
- The latest LED technology and thermal management systems have been incorporated to provide vibrant RGBW performance with maximum energy efficiency
- In most cases, new lighting can be installed using the existing cord with our patented, UL-approved plug

Available colors:

- Blue
- White
- Warm White
- Amber (Turtle-Friendly)
- RGBW Multi-color (Jandy®, Hayward® and Pentair®)
